## THE ROCK RADIO & BCS PRAYING AT THE COFFEE & CHOCOLATE EXPO

The Annual Coffee & Chocolate Expo drew thousands of people on Sept 20 & 21 to the Convention Center in San Juan and what better place to pray for people. The Rock Radio's booth was located between a gourmet chocolate and a coffee stand which were very busy. Coffee drinking is an important part of the Puerto Rican culture and this is why the Expo is a big success. We gave away *In Touch* magazines, Program Guides, Bible lesson enrollment forms, Scripture bookmarks; books and CD's were offered to all. Kids received *The Messiah* comic book and other special gifts.

Some people allowed us to **Pray** for them, and others were surprised and happy to know that God's Word can be heard in different parts of the island. Current listeners and long time friends greeted us, and we made many new friends! Pastors Roberto Bonilla, Lizzie Cintron, Heysha Fernandez, and Carmen Gutierrez helped pray for people. Staffers Maria Nieves, Elizabeth and Luis Castro, Grecia Sosa along with volunteers helped to pass out information.

## WELCOME NEW STAFFER

Larry Siino has joined the Radio Department. He worked for WBMJ and WCGB 25 years ago. He will be working on radio equipment and computers, as well as our office equipment. *Photo:* Larry Siino standing with radio operator Luis Garcia.

## FAMILY OF FRIENDS!

Over the summer we had a number of visitors including 1: Ex-staffer Edbbie Rosado visited from Georgia. Edbbie was accompanied by

his mother, a CEM Partner, Abigail Martinez, and fiancé Meagan LeBlanc;

2: Michael Peets, from St. Kitts brings in his donation in

person;  
3: Pres. Nita Luttrell (left) greeted listener (l-r) Dr. Ida Villa Pastor and her children Fernando and Catalina, a student studying medicine.

## JANET LUTTRELL HEALTH UPDATE

Last month retired nurse Linda Brandt → of Minnesota returned to help care for Janet. Janet has made great strides since breaking her hip in February.

"God is faithful and strengthening me," says Janet. Prayer is the key — "don't stop praying for me!"

**Naguabo, PR – WIVV** How blessed I am **during the electric outages at night to receive *The Rock*.** Your encouragement through prayers and programs is a beacon of light from Jesus. Through daily programs you reach out and give us spiritual encouragement. I can't say enough how you have touched my life and heart. Many receive Christian love through The Rock Radio Network.

**PRAYERWALL: Anonymous** Thank you God for all our daily blessing. Please pray for God to change my temper and allow me to be a better mother. Amen.

**LONG DISTANCE: Seminole, FL:** This is in honor of Donald and Ruth Luttrell **who followed God's leading so many years ago to start a radio station in Puerto Rico.** I was a kid on Vieques Island during the time that Ruth and Don were there. Don was flying with my dad, Paul Hartford, for *Youth for Christ* ministry. Every time God's saints go home there is a grand reunion in Heaven! One day very soon we will all be there!

## BCS CORNER

We are grateful for those who support BCS with their prayers and resources. As a correspondence Bible School, we also co-labor with people like Esther Frey from other ministries, comparing notes and contacts. Esther is the Director of the Emmaus Bible Correspondence School and a missionary from Canada. She came to PR 48 years ago and is a friend for many years.

We know this, many people have time and want to increase their knowledge of God's Word. Whether it be a person who is homebound, retired or in prison, our lessons help spiritual growth. Maybe you need flex hours to study the Word on the go. Call and we will send you a lesson to get started.

L-R: Vol. Carmen Davila, Esther Frey, BCS Mgr. Esther Ruiz & President Nita Luttrell

**Santa Isabel, PR** — The more I study, I realize how small I am! **These Bible Studies are helping me improve my spiritual life. Sometimes the trials of this world cause us to get detoured from looking at our Lord Jesus Christ but He is faithful and true.** When I think I am going to fall, I listen to the Word that encourages and lifts me up.

**Jamaica, W.I.** — Sometimes I can't find the time to attend Bible Study like I should, **but it's easier for me to sit at my desk at work and study the Bible lesson.** These well-known verses remind me of who Jesus is and His promises to believers. How I utilize my spare time at work is a blessing to my heart.

**Mayo, FL – BCS (Prisoner)** Thanks for writing to me. **You don't know the problems I was set free from by occupying my time writing you and doing the lessons.** It's not easy, but with God's help, I can do all things.
