Sept. 2014

Neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord. Romans 8:39

KIDS GOING BACK TO SCHOOL — WITH A MESSAGE OF HOPE

In Puerto Rico the school year begins in mid-August. So by August 15 the *Social Center for Help*, a non-profit Christian organization, had an event called "Back Packs for Kids". This year, Maunabo and Ciales were the towns selected to participate. The mayor's office and other government agencies partnered with different businesses to make this happen. Kids and adults alike attended this well planned event. 1,000 Back Packs were given away. A fireman who is a rapper, brought special music. CEM made a contribution of school and Christian materials, tracts, Bible lesson enrollment cards and *In Touch* magazines for our new friends.

HASTA LA VISTA BILL!

Separating from a ministry you love and from a place you enjoy serving for eight years is never easy. So it is with Asst. Chief Engineer Bill Heffley. Bill is taking a leave of absence to be with his family in the States.

Bill came to CEM as a volunteer in 1976—1987, when his parents were volunteers on Vieques Island in 1975. He became staff from 1987-94, then went back to the States, served in Australia and returned to CEM in 2006 when we needed a Network Engineer. Bill became involved in *KID'S TIME* and the *AFTER-NOON DRIVE TIME* programming besides performing his technical responsibilities.

He served at *Second Union Church* of Guaynabo helping with the sound system and technical equipment.

God is in control of our lives. Our prayers for Bill are that God will continue to bless him and his family.

CLAMOR A DIOS - "CRY OUT TO GOD"!

Despite the rain, many thousands of people came out September 1st to the *Capitolio* to pray together at the *Clamor a Dios* event. We cried out to God for our families, youth, government and our Island! For 41 years religious leaders in the community have prayed fervently for Puerto Rico and God's intervention. The Rock Radio broadcasted the event live where churches came together in prayer with Rev. Jorge Raschke.

WELCOME HOME JANET!

Janet Luttrell's hip replacement operation on July 15 was a complete success, thanks be to God and your prayers! It was an emotional moment for staff and family when Janet returned home to her apartment using a walker! Since Janet's fall in her apartment on February 26 she has undergone two hip surgeries, physical therapy and recently a surgical procedure on her lower back. God has remained faithful. What does the future hold? There are no limits with God!

FAITHFUL FRIENDS!

February is normally when Jan and Mark Freed (ILL) come down as volunteers at CEM. But with additional help needed to care for Janet, they decided to come now for two weeks to give a hand. The Lord repay them with blessings.

BCS CORNER

We are very grateful for your prayers and help to the Bible School. We see how God's Kingdom grows and people are saved and disciplined. Weekly we receive testimonies from our students telling us how the scriptures lessons have transformed their lives. They are also witnessing to others what God has done in them! Some students also ask questions about the Bible. So we research the correct answer using the scriptures and Bible commentaries. (See testimonies below.) Ismael J., from a federal prison in Terre Haute, IN wrote:

"Thank you for encouraging us in our Prison Ministry, *Prisioneros de Esperanza*. It is a great blessing, as well as your letters which have helped me and others when I have read them in our Prison Chapel. The Spanish lesson, *Practical Christian Living, Book 4, lessons 7&8*, spoke much to my life because many times I suffer when my own conscience accuses me for my past. Please pray for me. We need pastoral counseling especially since there are no Spanish clergy that come to see us. Greetings to all the brethren who collaborate with the BCS Ministry."

Wasco, CA — Prisoner I have a question concerning 1 Corinthians 11:2-13. Does that mean I have to cut my hair because my hair is long? Or is it one of those figurative things. **Could you explain it to me please?**

Barbados, W.I. - Prisoner What was the role of the Levite and the Samaritan? **I am becoming more profound in the study of the Word of God and growing to understand the role God should have in shaping a person.**

Ponce, PR — Prisoner For me, your lessons are the basis that God is giving me in the midst of my circumstances. I have known the Lord for 7 years but the Lord gave me the opportunity to **study His Word at the university level.** Nevertheless, **we all need a solid base,** but for some reason no one had set down with me to establish this important foundation. **I take seriously each of the lessons. I go over them carefully. I'm grateful for all your special efforts when I send you questions. I have two more here.** Continue praying for us.
